Ain't no use in cryin', stay away from me  
Ain't no use in cryin', stay away from me  
Ain't no use in cryin', stay away from me

Standin' in the kitchen  
Lookin' way out cross the fields  
You see a face in the window  
It's not real, it's not real

Ain't no use in cryin', stay away from me, stay away  
Ain't no use, ain't no use, ain't no use  
Ain't no use, ain't no use, stay away from me  
Stay away, ain't no use in cryin', stay away from me,  
stay away

Standin' in the station  
Gazing down the track  
There ain't no train comin', baby  
I ain't never, never comin' back

Standin' on the balcony  
Lookin' way out towards the sea  
If you see your ship come a sailin'  
It's not me, it's not me, it's not me

It's not me, it's not me, it's not me, stay away from me  
Hey you, hey you, you, you, you, you  
Ain't no use, ain't no use, stay away  
Stay away, stay away, stay away from me  
Ain't no use in cryin', stay away from me
