She comes on like a rose  
And everybody knows  
She'll get you in Dutch  
You can look but you'd better not touch

Poison ivy, poison ivy  
Well late at night when you're sleeping  
Poison ivy comes a creeping all around

She's pretty as a daisy  
But look out man she's crazy  
She'll really do you in  
But if you let her get under your skin

Poison ivy, poison ivy  
Well late at night when you're sleeping  
Poison ivy comes a creeping all around

Measles make you bumpy  
And mumps will make you lumpy  
And chicken pox will make you jump and twitch

A common cold will cool you  
But whooping cough will fool you  
But poison ivy's gonna make you itch

You're gonna need an ocean of Calamine lotion  
You'll be scratching like a hound  
The minute you start to mess around

Poison ivy, poison ivy  
Well late at night when you're sleeping  
Poison ivy comes a creeping all around

Measles make you bumpy  
And mumps will make you lumpy  
And chicken pox will make you jump and twitch

A common cold will cool you  
And whooping cough will fool you  
But poison ivy's gonna make you itch

You're gonna need an ocean of Calamine lotion  
And you'll be scratching like a hound  
The minute you start to mess around

Poison ivy, poison ivy  
Well late at night when you're sleeping  
Poison ivy comes a creeping all around
