Whew, whoa alright!  
I just wanna say I love you  
All night long, alright!  
Slap it to me

Rock me baby  
Well rock me all night long  
Well rock me baby  
Well rock me all night long  
Well roll me baby  
Until my back ain't got no bone

Well ball me baby  
Well ball me all night long, if you can  
Well ball me baby  
Well ball me all night long, that feels pretty good

Well roll me baby  
Until my back ain't got no bones  
I ain't got no bones about you  
Don't bother me, no not at all

Well rock me baby  
Well rock me all night long, I know you can  
Rock me baby  
Well rock me all night long

Well rock me baby  
Until my back ain't got no bone  
I ain't got no bones about you  
Don't bother me, no!
