Fling you out into orbit  
No one's going to hear you shout  
And fool aren't going to follow  
You don't need the sleaze about

Now you're sad sad sad  
Sad sad sad  
Sad sad sad  
But you're gonna be fine

The elephant's in the bedroom  
Throwing all his weight about  
And I'm locked in the bathroom  
Your screams are gonna drown me out

Now you're sad sad sad  
Sad sad sad  
Sad sad sad  
But you're gonna be fine

I get a cold chill  
I get a cool thrill

Are you ready for the gilded cage  
Are you ready for the tears of rage  
Come on baby, don't let them drown you out

Now you're sad sad sad  
Mad mad mad  
Sad sad sad  
But you're gonna be fine

Now you're sad sad sad  
Sad sad sad  
Sad sad sad  
But you're gonna be fine

You're gonna be fine  
You're gonna be fine  
You're gonna be fine  
You're gonna be fine
