Shattered, shattered  
Love and hope and sex and dreams are still survivin'  
on the street  
Look at me, I'm in tatters  
I'm shattered, shattered

Friends are so alarmin' and my lover's never charmin'  
Life's just a cocktail party on the street, Big Apple  
People dressed in plastic bags directing traffic  
Some kind of fashion, shattered

Laughter, joy, and loneliness  
And sex and sex and sex and sex  
And look at me, I'm in tatters  
I'm all shattered, shattered

All this chitter-chatter  
Chitter-chatter, chitter-chatter 'bout shmata, shmata,  
shmata  
I can't give it away on 7th Avenue  
This town's been wearin' tatters, uh-huh

You've been shattered  
Work and work for love and sex ain't you hungry for  
success?  
Success, success, success, does it matter?  
I'm all shattered, does it matter?

Ah, look at me, I'm all shattered  
I'm all shattered  
Look at me, I'm all shattered, yeah  
Shattered

Pride and joy and greed and sex  
That's what makes that town the best  
Pride and joy and dirty dreams  
Are still survivin' on the street

And look at me, I'm in tatters, yeah  
I've been battered, what does it matter?  
Does it matter? Uh-huh  
Does it matter? Uh-huh, I'm all shattered

Shattered  
Uh, shadoobie, shattered  
Uh, shadoobie, shattered  
Uh, shadoobie, shattered, shattered

Don't you know the crime rate  
Is going up, up, up, up, up  
To live in this town you must be  
Tough, tough, tough, tough, tough

You got rats on the West Side, bed bugs uptown  
What a mess, this town's in tatters  
I've been shattered, my brain's been battered  
Splattered all over Manhattan

Shadoobie, shattered, shattered  
I say, shadoobie shattered  
Shadoobie, shattered  
Shadoobie, shattered

Uh-huh, this town's full of money grabbers  
And go ahead, bite the big apple  
Don't mind the maggots, uh-huh  
Shadoobie, my brain's been battered

My friends, they come around they  
Flatter, flatter, flatter, flatter, flatter, flatter, flatter  
Pile it up, pile it up, pile it high on the platter
