Why do my thoughts loom so large on me?
They seem to stay for day after day
And won't disappear, I've tried every way

But she smiled sweetly
She smiled sweetly, she smiled sweetly
And says, "Don't worry, oh, no, no, no"

Where does she hide it inside of her?
That keeps her peace most every day
And won't disappear, my hair's turning gray

But she smiled sweetly
She smiled sweetly, she smiled sweetly
And says, "Don't worry"

"There's nothing in why or when
There's no use trying, you're here
Begin again, and ov'r again"

That's what she said so softly
I understood for once in my life
And feeling good most all of the time

'Cause she smiled sweetly
She smiled sweetly, she smiled sweetly
And said, "Don't worry, oh, no, no, no
Oh, no, no, no, oh, no, no, no"
