Baby, baby, I've been so sad since you've been gone
Way back to New York City
Where you do belong
Honey, I missed your two-tongue kisses
Legs wrapped around me tight
If I ever get back to Fun City, girl
I'm gonna make you scream all night

Honey, honey, call me on the telephone
I know you're movin' out to Hollywood
With your can of tasty foam
All those beat up friends of mine
Got to get you in their books
And lead guitars and movie stars
Get their tongues beneath your hood

Yeah! You're a star fucker, star fucker
Star fucker, star fucker, star
Yeah, a star fucker, star fucker
Star fucker, star fucker, star
A star fucker, star fucker
Star fucker, star fucker star

Yeah, I heard about you Polaroid's
Now that's what I call obscene
Your tricks with fruit was kind a cute
I bet you keep your pussy clean

Honey, I miss your two tongue kisses
Legs wrapped around me tight
If I ever get back to New York, girl
Gonna make you scream all night

Yeah! You're a star fucker, star fucker
Star fucker, star fucker, star
Yeah, a star fucker, star fucker
Star fucker, star fucker, star
A star fucker, star fucker
Star fucker, star fucker star

Yeah, Ali McGraw got mad with you
For givin' head to Steve McQueen

Yeah, and me we made a pretty pair
Fallin' through the Silver Screen

Honey, I'm open to anything
I don't know where to draw the line
Yeah, I'll make bets that you're gonna get
John Wayne before he dies

Yeah! You're a star fucker, star fucker
Star fucker, star fucker, star
Yeah, a star fucker, star fucker
Star fucker, star fucker, star
A star fucker, star fucker
Star fucker, star fucker star, yes you are
A star fucker, star fucker
Star fucker, star fucker star
