Just a few days and you'll be back in your school  
I'll be sitting around by the swimming pool  
And you'll be studying history and you'll be down the  
gym  
And I'll be down the pub, probably playing pool and  
drinking

It's over now, it's a summer romance  
And it's through  
It's over now, it's a summer romance  
And it's through

But just a few days and you'll be back in your class  
Sucking up the teacher and you trying to get an a pass  
You trying to hide your make-up and you're trying to  
flash your legs  
Yeah, no sympathy from your spotty friends

It's over now, it's a summer romance  
And it's through  
It's over now, it's a summer romance  
And it's through

I can't help myself  
I can't help it if I'm older than you  
I can't help myself  
I can't help it if I'm older than you

I need money so much, I need money so bad  
And I can't be your mum, I don't want to be your dad  
I'm a serious man, I got serious lusts  
I gonna have to do away with this greasy kid stuff

It's over now, it's a summer romance  
And it's through  
I can't help myself, I can't help it if I'm older than you  
It's just a summer romance, a summer romance  
And it's through  
It's over now, it's a summer romance  
And it's through

Summer romance

Summer romance

Summer romance
