(m. jagger/k. richards)

Did you ever wake up to find  
A day that broke up your mind  
Destroyed your notion of circular time

Its just that demon life has got you in it's sway  
Its just that demon life has got you in it's sway

Aint flinging tears out on the dusty ground  
For all my friends out on the burial ground  
Cant stand the feeling getting so brought down

Its just that demon life has got me in it's sway  
Its just that demon life has got me in it's sway

There must be ways to find out  
Love is the way they say is really strutting out

Hey, hey, hey now  
One day I woke up to find  
Right in the bed next to mine  
Someone that broke me up with a corner of her smile,  
yeah

Its just that demon life has got me in it's sway  
Its just that demon life has got me in it's sway

Its just that demon life has got me in it's sway  
Its just that demon life has got me...

Its just that demon life has got me...
