You can turn off and on more times  
Than a flashin' neon sign  
When you want, you're bad  
But you can be so kind

Just take it or leave it  
Don't tell your friend  
Just what you're gonna do now  
You take it or leave it, it's just my life

There've been times when you tried makin' eyes  
At all my so called friends  
Then you go, now you're back  
But you can be so kind

Just take it or leave it  
Don't tell your friend  
Just what you're gonna do now  
You take it or leave it, it's just my life

Oh, la la, la, ta ta, ta ta, la la la la  
Oh, la la, la, ta ta, ta ta, la la  
Oh, la la, la, ta ta, ta ta, la la la la  
Oh, la la, la, ta ta, ta ta, la la

I'm sick and tired of the smile that you give  
When you don't come home at night  
You said, you'd call, that's a lie  
But you could be so kind

Just take it or leave it  
Don't tell your friend  
Just what you're gonna do now  
You take it or leave it, it's just my life

Oh, la la, la, ta ta, ta ta, la la la la  
Oh, la la, la, ta ta, ta ta, la la  
Oh, la la, la, ta ta, ta ta, la la la la  
Oh, la la, la, ta ta, ta ta, la la

Oh, la la, la, ta ta, ta ta, la la la la  
Oh, la la, la, ta ta, ta ta, la la
