Well I told you once and I told you twice
You never listen to my advice
You don't try very hard to please me
With what you know it should be easy

Well this could be the last time
This could be the last time
Maybe the last time
I don't know, oh no, oh no

Well, I'm sorry girl but I can't stay
Feelin' like I do today
It's too much pain and too much sorrow
How good, I'll feel the same tomorrow

Well this could be the last time
This could be the last time
Maybe the last time
I don't know, oh no, oh no
Yeah, c'mon tell

Well this could be the last time
This could be the last time
Maybe the last time
I don't know, oh no, oh no

Well I told you once and I told you twice
You never listen to my advice
And here's a chance to change your mind
'Cuz I'll be gone a long, long time

Well this could be the last time
This could be the last time
Maybe the last time
I don't know, oh no, oh no

This time baby, I'll see you no more
Last time baby, I'll see you no more
This time baby, I'll see you no more
Last time baby, I'll see you no more
Alright, c'mon, c'mon
