Honey, is there any place that you would like to eat?  
I know a coffee shop down on 52nd Street  
And I don't need no fancy food and I don't need no  
fancy wine  
And I sure don't need the tears you cry

Till the next time, we say goodbye  
Till the next time, we say goodbye  
Till the next time, we say goodbye  
I'll be thinking of you  
I'll be thinking of you

Yeah, a movie house on 42nd Street  
Ain't a very likely place for you and I to meet  
Watching the snow swirl around your hair and around  
your feet  
And I'm thinking to myself, she surely looks a treat

Till the next time, we say goodbye  
Till the next time, we say goodbye  
Till the next time that we kiss goodnight  
I'll be thinking of you  
I'll be thinking of you

I can't go on like this, can ya? Can ya?  
I can't go on like this, can ya?

You give me a cure all from New Orleans  
Now that's a recipe, I sure do need  
Some cider vinegar and some elderberry wine  
May cure all your ills, but it can't cure mine

Your Lou'siana recipes have let me down  
Your Lou'siana recipes surely let me down  
Till the next time, we say goodbye, drink to it  
Till the next time, we say goodbye  
Till the next time that we kiss goodnight

Till the next time, we say goodbye  
Till the next time, we say goodbye  
Till the next time that we say goodbye  
Till the next time, we kiss goodnight

I'll be thinking of you  
I'll be thinking of you
