Do, do, do doot  
Do doo n' do doot

Don't you worry try a little harder  
Don't you worry try a little harder  
Don't you worry try a little harder  
Don't you worry try a little harder

Girl really wants you man  
Don't you see you gotta give her  
All the lovin' that she needs?  
Gotta try, try it one more time  
Gotta try, try it one more time

Don't you worry try a little harder  
Don't you worry try a little harder  
Give her lovin' that's a little stronger  
Give her lovin' that's a little stronger

If you with your baby  
When the day turns to night  
You gotta give her lovin'  
Make her feel all right  
It's all right, it's all right  
Try one more time, it's all right

Don't you worry try a little harder  
Don't you worry try a little harder  
Say goodnight and stay a little longer  
Say goodnight and stay a little longer

You got to keep her from cryin' then you got to try  
To work pretty hard to keep her satisfied  
Just try, try it one more time  
Try it one more time, gotta try

Try a little bit harder  
Try a little bit harder  
Try a little bit harder, baby  
Try a little harder  
Try a little harder

If you with your baby  
When the day turns to night  
You gotta give her lovin'  
Make her feel all right  
Gotta try
