

Rolling Stones "Winter"

Visit "[Winter](#)" on MotoLyrics.com

And it sure been a cold, cold winter
And the wind ain't been blowin' from the south
It's sure been a cold, cold winter
And a lotta love is all burned out

It sure been a hard, hard winter
My feet been draggin' 'cross the ground
And I hope it's gonna be a long hot summer
And a lotta love will be burnin' bright

And I wish I been out in California
When the lights on all the Christmas trees went out
But I been burnin' my bell, book and candle
And the restoration plays have all gone 'round

It sure been a cold, cold winter, Lord
My feet been draggin' 'cross the ground
And the fields has all been brown and fallow
And the springtime take a long way around

Yeah, and I wish I been out in Stone Canyon
When the lights on all the Christmas trees went out
But I been burnin' my bell, book and candle
And the restoration plays have all gone 'round

Sometimes I think about you, baby
Sometimes I cry about you, Lord
Yeah, and I wanna wrap my coat around you
Yeah, I wrap my coat around you
[Incomprehensible]

Yeah, I wanna wrap my coat around
Baby, sometimes I wanna keep you warm
Sometimes I wanna wrap my coat around you
Sometimes I wanna but I can't afford you

Sometimes I wanna wrap my coat around you
Sometimes I wanna but I can't afford you
Guess I wanna keep you warm, warm, warm
Sometimes I wanna wrap my coat around you, Lord I
cry
Sometimes it feels like
