Sometime I wonder why you do these things to me
Sometime I worry girl that you ain't in love with me
Sometime I stay out late, yeah, I'm having fun
I guess you know by now that you ain't the only one

Yeah, sweet things, sweet things
Sweet things that you promised me
Yeah, seemed to go up in smoke, vanish like a dream
Baby, I wonder why, I wonder why you do these things
to me

Here we go
Yeah, 'cause I'm worried
And I just can't seem to find my way
Baby

Ooh, the nights I spent waitin' on the sun, yeah
Just like that burned out cigarette, you threw away my
love
Why did you do that baby?
I wonder why you do these things to me

Here we go
'Cause I'm worried and I'll find out anyway
Sure going to find myself a girl someday
Till then I'm worried, yeah, I just can't seem to find my
way

Baby, [Incomprehensible]
Yes

Yeah, I'm a hard workin' man, yeah, when did I ever do
you wrong?
Yeah, I'll give you, give you all my money, baby
And I'll bring it, bring it all home, yeah, ain't that the
truth
Yeah, I wonder why, I wonder why, why you do these
things to me

Here we go
Yeah, 'cause I'm worried, yeah
And I just don't seem to find my way

Baby, baby, yes
Come on, baby, baby, yeah
I wanna tell you something, yeah

I'm worried about you
I'm worried about you
Yeah, I'm worried 'bout you, woman, oh yeah
I'm worried about you

[Incomprehensible] me

I'm worried about you, oh yeah, yeah, yeah
I'm worried about you, oh yeah, well, oh yeah
I'm worried about you, oh yeah, yeah, yeah
I'm worried about you, here we go

Here we go
Yeah, 'cause I'm worried, yeah, and I'll find out anyway
Sure going to find myself a woman someday
Till then I'm worried and I just can't seem to find my
way
