Who wants yesterdays papers  
Who wants yesterdays girl  
Who wants yesterdays papers  
Nobody in the world

After this time I finally learned  
After the pain and hurt  
After all this what have I achieved  
I've realized it's time to leave

Cause  
Who wants yesterdays papers  
Who wants yesterdays girl  
Who wants yesterdays papers  
Nobody in the world

Living a life of constant change  
Every day means the turn of a page  
Yesterdays papers are such bad news  
Same thing applies to me and you

Who wants yesterdays papers  
Who wants yesterdays girl  
Who wants yesterdays papers  
Nobody in the world

Seems very hard to have just one girl  
When there's a million in the world  
All of these people just can't wait  
To fall right into their big mistake

Who wants yesterdays papers  
Who wants yesterdays girl  
Who wants yesterdays papers  
Nobody in the world
