You ask me to give up the hand of the girl I love  
You tell me, I'm not the man she's worthy of  
But who are you to tell her who to love?  
That's up to her, yes and the Lord above  
You better move on

Well, I know you can buy her fancy clothes and  
diamond rings  
But I believe, she's happy with me without those things  
Still you beg me to set her free  
But my friend that will never be  
You better move on

Now I don't blame you for lovin' her  
But can't you understand, man she's my girl  
And I, I'm never never ever gonna let her go  
'Cuz I, yeah, I love her so

I think you better go now , I'm gettin' mighty mad  
You ask me to give up the only love I've ever had  
Maybe I would, oh but I love her so  
I'm never gonna let her go  
You better move on

You better move on  
You better move on  
You better move on
