I wanna see your face  
So I can read between your words  
They say you don't love me  
But does that mean you're just hurt  
Coz I say I love raining  
A salty summer breeze  
I say I love the ocean  
When like is all I mean

And it's so hard to say I love you  
There must be some confusion  
Coz I mix my words  
'Til meaning has no meaning

So I love you more than ice cream  
I love you more than roses  
I love you more than ice cream  
I love you more than roses

I can feel your touch  
Your eyes would not be icy cold  
You're pushing me away  
When all you want is me to hold  
Well I say I hate freezing  
And getting out of bed  
I say I hate alarm clocks  
Put out is all I meant

And it's so hard to say I love you  
There must be confusion  
Coz I mix my words  
'Til meaning has no meaning

It's so hard to say I love you  
Tears well up inside me  
Forgotten what it's like to mean the truth
