Living by yourself
I watch the time go by
I wait for you to call me on the telephone
But you don't need my help
You've been working 9-5
Ain't got no time to talk about what's going on

Ain't it funny how people change
Ain't it funny how words can make you cry
Ain't it funny how people change
Ain't it funny when you love somebody

I remember when
The times that you would tell
Me all the things that you had been going through
But now your source of help
Sits on a dusty shelf
If you won't look for Me
How can I get through to you

Ain't it funny how people change
Ain't it funny how words can make you cry
Ain't it funny how people change
Ain't it funny when you love somebody

I want the best
I love the best
I give the best way I know how
I want your love
I need your love
But you are running
What are you running

No matter what you say
There's nothing you can do
Tomorrow and today
I will wait in here for you
And if you change your mind
One thing that you will find
Is that I've always been faithful
I've always been true

Ain't it funny I never change
Ain't it funny how words don't make me cry
Ain't it funny I never change
Ain't it funny coz you love somebody

I want the best
I love the best
I give the best way I know how
I want your love
I need your love
But you are running
What are you running

Ain't it funny how people change?
