Big Feather Bed ÃfÂçâ,¬"

Written by Darius, Nik Kershaw, John O'Kane

Come rest a while, rest a while

Let it all go

Don't turn away

Come and lay down your head

Just talk a while to my sweet talking pillow

There's room for you girl in my big feather bed

7am

I'm watching you dressing

It's raining again

You haven't stopped since you

Told me last night

We never seem to have time for love

I know that you're right

We're always in such a rush

We can't see our mistakes

Don't you know that

You don't have to work today

No

Come rest a while, rest a while

Let it all go

Don't turn away

Come and lay down your head

Just talk a while to my sweet talking pillow

There's room for you girl in my big feather bed

There's room for you girl in my big feather bed

7.15

You're running late and you

Can't find your keys

Might as well get back under here

Remember last night

You said things were getting too much

I think that we might

Need a little time just for us

Slow down, don't leave

Don't you know that

You don't have to work today
No

Come rest a while, rest a while
Let it all go
Don't turn away
Come and lay down your head
Just talk a while to my sweet talking pillow
There's room for you girl in my big feather bed
There's room for us both in my big feather bed

Lay your troubles down beneath my pillow
Steal the moment now and shut the World away
It's time to catch your breath
Underneath this blanket with me

So come rest a while, rest a while
Let it all go
Don't turn away
Come and lay down your head
Just talk a while to my sweet talking pillow
There's room for you girl in my big feather bed

Come rest a while, rest a while, rest a while
Let it all go
Don't turn away
Come and lay down your head
And just talk a while to my sweet talking pillow
There's room for you girl in my big feather bed
There's room for you girl in my big feather bed
Mmm sha la la la la la la yeah, yeah
No don't leave now
Come back to bed, come back to bed...
