Nighttime

were not alone if we dream together
of the good time
we got through coz we wont surrender
head on my shoulder
glass of red wine
If we're lifting look behind
we have won this already
la la la la la la la la
i watched you reach for the sky
la la la la la la la la
Chrysalis to butterfly

Sometimes

dont win gold and dont win silver
at the right time
youll find bronze makes you a winner
Heres what it really not right from your cheek
if youre lifting look behind
You have won this already
la la la la la la la la
i watched you reach for the sky
la la la la la la la la
chrysalis to butterfly

your butterfly

Kiss your lips and watch you fly
well butterfly
chrysalis to butterfly

its bed time
emotions chase as i preach youll follow
its a good time
feeling give you the strength i borrowed
coz i wanna hold you
the last drop of wine
if you're lifting look behind
i have won this already
