I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairytale
You can take the future, even if you fail
I believe in angels
Something good in everything I see
I'll cross the stream
I have a dream

I have a dream, a fantasy
To help me through reality
I believe in angels
Something good in everything I see
I believe in angels
When I know the time is right for me
I'll cross the stream
I have a dream
