You say its over
I say thats ok
I wasnt into you anyway
I told you lately
You irritate me
Your laugh is too loud
Your the last girl I'd look at if you were in a crowd

Could you tell
I was lying and hiding the truth away?
And what I really wanted to say....

Is you are incredible
You are amazing
You blow my mind, one of a kind
I'm having a meltdown
You are incredible you are amazing
But sometime's telling the truth is easier said than
done
Don't leave baby thats what I meant to say

My worlds not ending, I'll be just fine
That's what my mouth said, but not what I felt inside
I told you baby your not the answer to all of my prayers
Cause I like my girlfriends in short skirts with longer
hair

Could you tell I was lying and hiding the truth away
And what I really wanted to say.....

Is you are incredible
You are amazing
You blow my mind, one of a knid
Im having a meltdown
You are incredible
You are amazing
But sometimes telling the truth is easier said than done
Dont leave baby, thats what I want to say

Well I said I didnt care about what you said about me
Couldnt care less about what I said or done
I didnt mean it, its not what I want to say

You know the truth is that i care about what you think
about me
Maybe too much I've been putting on a front
I didnt mean it, its not what I meant to say

You are incredible
You are amazing
You blow my mind, one of a kind
Im having a meltdown
You are incredible
You are amazing
But sometimes
Telling the truth is easier said than done
Telling the truth is easier said than done
Can't you see?
Telling the truth is easier said than done
Dont leave baby, thats what I ment to say
