You've been acting like so outrageous
I wish you weren't so contagious
I think this just might break us
Oh, oh, oh, this just might break us

Get out
of town, get off my block
I'm spilling my guts in the parking lot

I can't
stand you, you can't stand me
We try to live ever after so
happily

CHORUS
You're a mess, you're a mess
You're a mess, my dear
& it's
starting to get to me
If you could, I wish you would
maybe be my baby
Maybe
be my baby again

You're a mess, you're a joke,
& the words you
spoke
didn't mean a thing to me

I'm pretending to be so not in love
As you
pretend to get over me

CHORUS
You're a mess, you're a mess
You're a mess, my dear
& it's
starting to get to me
If you could, I wish you would
maybe be my baby
Maybe
be my baby again

Get out of town, get off my block
I'm spilling
my guts in the parking lot
I guess I'll put up with you for another
year
You're a beautiful mess, my dear

CHORUS

You're a mess, you're a mess
You're a mess, my dear
& it's
starting to get to me
If you could, I wish you would
maybe be my baby
Maybe
be my baby again
