Girl, I can't notice but to
Notice you noticin' me
From across the room
I can see it and I can't stop myself from lookin'
Noticin' you noticin' me
Watch out, I've seen her type before

That girl is so dangerous
(That girl is so) dangerous
(That girl is a) bad girl
(I've seen her type before, she's so) dangerous
(That girl is so) dangerous
(That girl is a) bad girl, yeah

Every night, man, I get that feeling
Girl is about to got me stealing glances all the time
See, I wish you were mine

So we get close or to the fact
And I see how you might act crazy all the time(are you
out of your mind?)
I got my friends a ride
You're calling me all night
Dragging you home, drugged from another Friday
night

I guess I should have known
Should I have left you alone?
I wouldn't be singing it all

Girl, I can't notice but to
Notice you noticin' me
From across the room
I can see it and I can't stop myself from lookin'
Noticin' you noticin' me
Watch out, I've seen her type before

That girl is so dangerous
(That girl is so) dangerous
(That girl is a) bad girl
(I've seen her type before, she's so) dangerous
(That girl is so) dangerous

(That girl is a) bad girl, yeah

So let me finish up this by saying
That girls these days are praying
And no, I don't mean church
They're all set out to hurt
So all my boys, just hide your heart
'Cause Cupid used to kill from the start, from the start
I thought you and me were meant to be
But everything just can't be that easy

Girl, I can't notice but to
Notice you noticin' me
From across the room
I can see it and I can't stop myself from lookin'
Noticin' you noticin' me
Watch out, I've seen her type before

That girl is so dangerous
(That girl is so) dangerous
(That girl is a) bad girl
(I've seen her type before, she's so) dangerous
(That girl is so) dangerous
(That girl is a) bad girl, yeah
