I've got a million dollars, baby
tell me what you
wanna do
I can take you far away from here
I can take you to the moon

when
that gets old
I'll take you home
& lay a million kisses on you

I've got a
million dollars, baby
tell me what you wanna buy
I'll buy you a big ol'
diamond ring
& all the stars up in the sky

when you're stars don't
shine,
I'll give you mine
& lay a million kisses on you

if it's money you
want
I've got it
I've got a ring down in my pocket
if you say "I do"
I'll
marry you
& lay a million kisses on you

you don't need a dollar, baby
to
steal this heart of mine
your heart is worth a million bucks
when it's
beating next to mine

if you've got the time,
I'll make you mine
& lay a

million kisses on you

you don't need a dollar, baby
to make my heart
sing
you don't have to buy me stars or fancy cars,
but I'd be glad to wear
your ring

take out that ring
out it on
I'll lay a million kisses on
you

if it's love you want
I've got it
get that ring out of your
pocket
I'll say "I do"
to marry you
& lay a million kisses on you

I'll
buy your love if you'll name a price
boy, your lovin' will suffice
if it's
love you want, then it's love I'll be
whatever you are is all I need
