Hey hey beauty queen  
The cutest thing I've ever seen  
You are unmistakable  
I wish my heart wasn't breakable

You could never be alone  
You got my song in your headphones  
You got me on the edge of my seat  
I've got your song on repeat

### CHORUS

Hey hey Miss Magazine  
Come sit here next to me  
You take my breath away  
I hope I make you feel the same

Under these plastic stars  
You stuck up on your ceiling  
I hear your heart beat inside  
I can't shake this feeling

You've got a way of making me feel  
Like a little kid lost in the city  
I saw your face on a picture screen  
Your eyes were glowing if you know what I mean

### CHORUS

Hey hey Miss Magazine  
Come sit here next to me  
You take my breath away  
I hope I make you feel the same (x2)

Listen up this is the story of a girl  
With just one look she wrecked my world  
You are unmistakable  
I wish my heart wasn't breakable

### CHORUS

Hey hey Miss Magazine  
Come sit here next to me  
You take my breath away  
I hope I make you feel the same (x2)
