I know I'm nothing but skin & bones,
But I sure think you're beautiful.
With your long, long hair and your big, blue eyes
I'm thinking 'bout making you mine tonight.(x2)

Hush your lips, I'm about to speak up.
If I talk real slow, do you think you can keep up with me
this time, am I out of line?
I'm tryin' to be a gentlemen;
So please don't make me ask again.
Yeah, I gotta lot of nerve, comin' after you
But your the only thing that's on my mind.
So what's a boy to do? Let me keep this short and
sweet, your the prettiest thing that I ever did see.

I know I'm nothing but skin & bones,
But I sure think you're beautiful.
With your long, long hair and your big, blue eyes
I'm thinking 'bout making you mine tonight. (x2)

Don't let me go if I'm dangling,
High above the world where the angels sing.
But back it up, let's turn this train around,
Let's get this party hopping 'til we're shaking the
Ground.
When the ground starts shakin' I'll be there to hold you
tight,
Don't worry bout a thing 'cuz everything will be all right.
Let me keep this short and sweet, there's not a lot I
wouldn't do to sweep you off your feet.

I know I'm nothing but skin & bones,
But I sure think you're beautiful.
With your long, long hair and your big, blue eyes
I'm thinking 'bout makin' you mine tonight. (x2)

Don't let me go,
Baby, please don't let me go.
Don't let me go,
Baby, please don't let me go.

I know I'm nothing but skin & bones,

But I sure think you're beautiful.
With your long, long hair and your big, blue eyes
I'm thinking 'bout making 'you mine tonight. (x2)

Don't let me go,
Baby, please don't let me go.
