No way no
Don't be sad
I hope to try one more again
Keep my way

It's time to listen to me
It's takes all sorts to make a world
I want to have my prospects
Many language, judge, many more

I hate it
You've taken the different view
I think to change myself
It's a good idea!

No problem, no problem

One fight, by step up
One two fight, by step up
One fight, by step up

No way no
Don't be sad
I hope to try one more again
Keep my way

I'll make a success for something
Why? I know I'll go to NY
You know I did it, I did it
I can go! Yes! Many more!

So fantastic, so beautiful
I'll make a success maybe
I don't forget to try
I need to make something for myself

One fight, by step up
One two fight, by step up
One fight, by step up

No way no
Don't be sad

I hope to try one more again
Keep my way
