How can you just leave me standing  
Alone in a world that's so cold?  
Maybe I'm just too demanding  
Maybe I'm just like my father, too bold

Maybe you're just like my mother  
She's never satisfied  
Why do we scream at each other?  
This is what it sounds like when doves cry  
Yes, they cry, oh they cry

How can you just leave me standing  
Alone in a world that's so cold?  
Maybe I'm just too demanding  
Maybe I'm just like my father, too bold

Maybe you're just like my mother  
She's never satisfied  
Why do we scream at each other?  
This is what it sounds like when doves cry

This is what it sounds like, this is what it sounds like  
This is what it sounds like, oh ah, oh ah

Dream, if u can, a courtyard  
An ocean of violets in bloom  
Animals strike curious poses  
They feel the heat, the heat between me and you

Maybe you're just like my mother  
She's never satisfied, she's never satisfied  
Why do we scream at each other?  
This is what it sounds like when doves cry

Doves cry, you know that they cry  
You know that they cry, you know that they cry  
You know that they cry, you know that they cry

How can you just leave me standing  
(You know that they cry)  
Alone in a world that's so cold?  
(You know that they cry)

Maybe I'm just too demanding  
(You know that they cry)  
Maybe I'm just like my father, too bold  
(You know that they cry)

Maybe you're just like my mother  
(You know that they cry)  
She's never satisfied  
(You know that they cry)  
Why do we scream at each other?  
(You know that they cry)  
This is what it sounds like when doves cry
