You make me burning let the morning away
I like the vibe that you showing my way
X2

I know that you not afraid of the truth girl
I know you wan them for show what to do

Chorus:
Baby we can do it we can do it all night
Put your body right in to it and we doing alright
People singing people dance until is sunlight
And we gonna do it all night
X3

My head is spinning going round and round
The way your body movin' way in on down
So im running baby runng to you
Come show me what you do

Chorus X3
