Can you see me can you see me see me popping from
my
Mothers swollen cunt of porn.
Itsa boy itsa boy my mother's delighted while I'm born
my
Cock's already grown!

AS - SHE - LICKS - MY ONLY BALL! [2x]

Maybe I'm a baby but my mommy hate it that my
scrotum yet
Contains no balls.
She's pushing on my belly while the room is getting
smelly my
Fuckin' balls is what she calls!

AS - SHE - LICKS - MY ONLY BALL! [2x]

Finally, she's rewarded,
So, I spontaneously farted
My scrotum now contains a ball
And mommy starts lickin' it all!

Babyscrotum meets her tongue, ridin' mommies face
She's licking me like a dog & - full - of - grace!
When I look up I see my family watching
They are next in line for one ball touching!

AS - SHE - LICKS - MY ONLY BALL! [2x]
