Crash! Test! Faggot!
Crash! Test! Gay!

Awwwwrrrrp!

Uuuuuuu- I'm going to tell you story about certain
people,
People wich I have a perfect vacancy for
They're called transsexuals,
And travestites
Assfucking faggots- they don't deserve rights!

Hahaha... listen faggots!

There is this factory, around the corner you see,
Let's gather transsexuals, and kill them brutal for me!
Remove the testdummies, and use transsexuals
instead,
I can't wait to witness, the E-normous impact!

Crrrash!

Uuuuuuuu- Served transsexual genitals now look like
splatter,
Witness the torso get squashed is obviouslyyy, what
matters to me!

6-5-4-3-2-1, Next in line please!

Crash! Test! Faggot!
Crash! Test! Gay! - Die and make my day!
