Pu-ssy-juuuuice!

I'm in a candystore, what do I seeeeee?

Flavours... like strawberry,  
& melon, banana-taste,  
They have cherry, oh what a waste!  
Cuz what I really wanna choose  
A Chup-a-chup that taste like pussyjuice!

'Can I help you sir?' and I look up at her  
She's gorgeous in that skirt  
Oh yeah you can my love,  
Take your panties off  
Please bend over it doesn't hurt!  
Do me a favour, a certain flavour  
Is what I want suckin' Chup-a-chup  
Yeah I'm a dude, that dislikes fruit  
Only taste-of-cunt-is-good!  
She pulls up her skirt,  
This bendin' over bird  
My favourite kinda meat,  
It smells so sweet  
Vibrating eggs disappear between her legs  
She-is-my-recipe!  
Vibrating eggs snore,  
Sound of buzzing fills the store  
She dripps from her lips,  
Between her horny hips  
Ofcourse I also wanna fuck it,  
But first this fluid in a bucket  
After that I put it in the freezer,  
Next to my pussyjuice Bacardi Breezer!  
Do you wanna be my favourite recipe!

Pussyjuice, the taste for me!  
Lick it & suck it! [8x]  
Pu-ssy-juice, chup-a-chup-a-chup! [2x]
