Swarming of the Cysts, your cancer on my fists! -ooh!

Tumourstomping so much fun,  
Punching cancer of your lung,  
Lymphatic lowkick on your dick,  
But you say that you're not so sick!

I don't believe you, look at you,  
Maligant cysts all over you  
Now match & I will make them swarm,  
But first I'll amputate your arm-woooooooh!

Swarming of the Cysts, your cancer on my fiiiists! -  
ooh!

[Eindhovens dialect]  
Cystes vliege rond munne kop en soms vrit ik d'r inne  
op  
Daar lidde dan gij dikke gek oe bakkes lekt nog  
kankerpek

D'r zitte vast nog bulte in die vette romp onder oe kin  
Dus schup ik nou oe buik d'r uit zodat de leste bult d'r  
uit spuit!

Kiek die wond 'ns gaaaaape!  
Daar ken een perd in slaapeeee!  
Oohweeoohweeoohwee! [2x]
