"Catch You"

Look in the iris of my eyes
And find what you've lost
You'll see the light inside of me
You'll see everything I've got
Life brings me love I can't ever undo
And I have enough love to heal you

Io mi sento perso e ho molta paura
Ero solo e impreparato a una vita piÃ¹ dura
Dammi la luce, la notte Ã¨ piÃ¹ buia
Io ascolterÃ² il tuo canto, sarÃ² la mia cura

When you fell all alone
And when only anguish
And fear walks you home
Take these hands to hold on
'cause I will be here to catch you when you fall
Even in your darkest hour
I'll still be here
To catch you

Sei qui sei qui, resta sempre cosÃ¬
Dammi tempo, dammi amore e fiducia se puoi
When you think all hope is gone

Close that hole in your soul
C'Ã¨ qualcosa di piÃ¹ grande
I'll carry you through

When you fell all alone
And when only anguish
And fear walks you home
Take these hands to hold on
'cause I will be here to catch you when you fall
Anche nel buio profondo
Saremo due luci che accendono il mondo
Deepest low through the higher ground
Se avremo il coraggio di chiedere aiuto

PerchÃ¨ l'amore guarisce il dolore
'cause I have enough love to heal you

Yes I have enough love to heal you
