I have never seen you down,  
So outta touch and turned around  
Oh, baby, won't you let me bring you up?

I've been wanting so to know you  
Just give me the chance to show you  
Baby, baby, let me bring you up.

Let me fill your cup up,  
Let me bring you up up.

(Chorus)

Oh there's some kind of love I wanna bring you  
And there's some kind of song I wanna sing you  
Let me sing you  
Sha la la la la la la la  
Sha la la la la  
And bring you higher,  
I wanna bring you higher  
Oh let me bring you higher  
Up a little bit higher  
Up a little bit higher  
I wanna bring you higher  
Let me bring you higher.

Let me talk to you and hold you  
Take the weight off of your shoulders  
Baby, baby, let me bring you up.  
I can do the things, the kind  
You need to relax and unwind you  
Baby, baby, let me bring you up.

Let me fill your cup up  
Let me bring you up up.

(repeat chorus)

Higher  
Higher  
Oh higher  
Oh higher  
Higher

Let me love away your sadness  
Somewhere up above the madness  
Baby, won't you let me bring you up?  
I've been wanting so to know you  
Just give me the chance to show you  
Baby, baby, let me bring you up.  
(Sha la la la la la la la la  
Sha la la la la la)

(repeat chorus and fade)
