Yo what's up  
Do you have  
A kitten or a pup  
I have no pets so  
Why you shouldn't ask?

(Chorus):

Oh come on just ask me  
Do you wanna be my friend?  
No I don't so why did you asked me that question  
Oh why did you asked me that question for?  
Oh come on

If you don't  
have a kitten,  
Or if you don't  
have a pup, so  
I don't wanna care  
for you just turn  
the music up. I  
have a question  
for you mister!  
You are gonna  
make me sneeze (achoo)  
Baby can you get me outta  
here please?

(Chorus 2x):

Oh come on just ask me  
So you wanna be my friend?  
No I don't so why did you asked me that question?  
Oh why did you asked me that question for?  
Oh come on (echo)

La-la-la-la-la-la-la-la  
La-la-la-la-la-la-la-la (echo)

Ooooooooooooooh.....
