Yo what's up
Do you have
A kitten or a pup
I have no pets so
Why you shouldn't ask?

(Chorus):

Oh come on just ask me
Do you wanna be my friend?
No I don't so why did you asked me that question
Oh why did you asked me that question for?
Oh come on

If you don't
have a kitten,
Or if you don't
have a pup, so
I don't wanna care
for you just turn
the music up. I
have a question
for you mister!
You are gonna
make me sneeze (achoo)
Baby can you get me outta
here please?

(Chorus 2x):

Oh come on just ask me
So you wanna be my friend?
No I don't so why did you asked me that question?
Oh why did you asked me that question for?
Oh come on (echo)

La-la-la-la-la-la-la-la
La-la-la-la-la-la-la-la (echo)

Ooooooooooooooh.....
