Yeah oh yeah oh there you are looking good to me  
finest thing I've ever seen yeah stay a while there's no  
rush to leave I'm addicted I found a ticket and you're  
the lottery ahhh I rarely ever do but it feels alright  
alright so I never wanna let you go they don't make um  
like you no more love it like my favorite tv show they  
don't make um like you no more no no no a change of  
heart there would never be we can get along girl just  
you wait and see and who said it's too good to be true I  
think they lied to me they lied to you or maybe they just  
never found ahhhh I really never never knew but it feels  
alright alright so I'm never gonna let you go they don't  
make um like you no more it's a damn shame yeah it's  
like the old school 64 they don't make um like you no  
more like a timeless record you would never get ohhh  
and I gotta tell you baby just in case you didn't know  
with love my baby perfect lady in my arms forever be  
my number 1 so I'm never gonna let you go they don't  
make um like you no more it's a damn shame ahh just  
like a record in the studio they don't make um like you  
no more yeah na na na na so I'm never gonna let you  
go they don't make um like you no more it's a damn  
shame ohhhh oh oh yeah they don't make um like you  
yeah yeah they don't make um like you no more woah  
no no no no no no they don't make um they don't make  
um they don't make um like you.
