I heard every word you said  
And trying hard to understand  
Exactly what it is, you need, from me  
Baby, I apologize  
I never meant to make you cry  
But there ain't no doubt  
We can work it out yeah  
'Cause I'm gonna be around

Don't worry, baby  
I ain't no maybe  
Rain or shine  
This love of mine is for you  
Let my arms remind you  
I'll always be beside you  
Holdin' on until this ride is through  
So away we go  
Down that forever road

Baby, as our lives unfold  
There's no telling where we'll go  
But as far as I can see, it'll be you and me  
Just the way it's supposed to be

Don't worry, baby

I ain't no maybe  
Rain or shine  
This love of mine is for you  
Let my arms remind you  
I'll always be beside you  
Holdin' on until this ride is through  
So away we go  
Down that forever road

It ain't gonna be easy  
We'll both make big mistakes  
But if you love me, trust me  
We've got what it takes  
Now...

Don't worry, baby

I ain't no maybe  
Rain or shine  
This love of mine is for you  
Yeah, let my arms remind you  
I'll always be beside you  
Holdin' on until this ride is through  
So away we go  
Down that forever road  
Down that forever road  
Away we go
