When we can't find the time to spend
Bein' lovers and best of friends
When we can't seem to make it work
When we can't find the words
Love will
Love will
Love will
Love will

There'll be time that we disagree
About the way things are supposed to be
When we can't find a common ground
When we can't work it out
Love will
Love will
Love will
Love will

Ashes to ashes, dust to dust
Earthly possessions turn to rust
When the world won't recall our names
One thing will remain
Love will
Love will
Love will
Love will

Love will
Love will
Love will
