I'm still standing, I'm still here.  
For I seen another year.

I'm still knowing, I'm still growing.  
Still believing, still achieving.

I'm still walking, I'm still talking.  
I'm still seeing, I'm still reaching.

What I'm simply trying to say Is this?  
There Is one on how he does exist.  
More than whom you can capture this.  
There Is a God somewhere.  
Yes there's a God up there.

Ooooh, ooh.

I'm not trying to preach, only trying to say how I feel.  
Oh there's no, other name I choose to call when my  
back  
up against the wall. Ooooh I need to know when out, in  
my  
soul that there's someone somewhere up on high ooh  
but  
when I look Into my little girls' eyes I see, why I feel  
this spirit Inside and I know I...

I'm still crying, I'm still smiling.  
I'm still searching, I'm still finding.  
I'm still breathing, I'm still living.  
Still receiving, yet still giving.  
I'm still hoping, I'm still trusting.  
I'm still caring, I'm still loving.

What I'm simply trying to say Is this?  
There Is one on how he does exist.  
More than whom you can capture this.  
There Is a God somewhere .  
Yes there's a God somewhere.

I know I know there's a God somewhere.

I can feel him In my soul.  
Somewhere I know that there's a God.  
There's a God somewhere.  
He's the ruler of our world.  
Maker, giving It all up to you, there's a  
God somewhere.  
Ooooh, somewhere, the Almighty Is somewhere.
