Got a baby girl sleepin' in my bedroom  
And her momma laughing in my arms  
There's the sound of rain on the rooftop  
And the game's about to start  
I dont really know how I got here  
But I'm so glad that I did  
And it's crazy to think that one little thing  
Could have changed all of this  
Maybe it didn't turn out like I planned  
Maybe thats why I'm such, such a lucky man

Every stoplight I didn't make  
Every chance I did or I didn't take  
All the nights I went too far  
All the girls that broke my heart  
All the doors that I had to close  
All the things I knew but I didn't know  
Thank God for all I missed  
Cause it led me here to this

Like the girl that I loved in high school  
Who said she could do better  
Or the college I wanted to go to  
Till I got that letter  
All the fights and the tears and the heartache  
I thought I'd never get through  
And the moment I almost gave up

All led me here to you  
I didn't understand it way back when  
But sittin' here right now  
It all makes perfect sense

Every stoplight I didnt make  
Every chance I did or I didnt take  
All the nights I went too far  
All the girls that broke my heart  
All the doors that I had to close  
All the things I knew but I didn't know  
Thank god for all I missed  
Cause it led me here to this

[SOLO]

Oh I cried when my momma passed away  
And now I got an angel  
Looking out for me today  
So nothing's a mistake

Every stoplight I didn't make  
Every chance I did or I didn't take  
All the nights I went too far  
All the girls that broke my heart  
All the doors that I had to close  
Everything I knew but I didn't know  
Thank God for all I missed  
Cause it led me here to this

Led me here to this
