Â“I Love It When We Do”

I love it when we do what we do when we do [x2]

Ahahahaaaaaaaaaaaa [x3]

When you're around the sun is always shining  
And since we met I haven't once stopped smiling, yeah  
The love I feel for you is almost blinding, yeah

Runnin' up and down the street  
Huggin' everyone I meet  
Now you love me life is sweet  
When I got you in my arms  
Can't turn off the fire alarms, yeah

I love it when we do what we do  
Â'cause we do what we do till it's done  
I love the way we do what we do  
Â'cause we do what we do and it's fun  
you're the one

When you're around my eyes will never wander  
And no-one else I've ever been more fonder of  
So baby don't you break this spell I'm under, yeah

When I look into your eyes I don't have to fantasize  
You're a dream that's realised  
I'm dancing on the moon inside  
If life is cruel then someone lied yeah

I love it when we do what we do  
Â'cause we do what we do till it's done  
I love the way we do what we do  
Â'cause we do what we do and it's fun  
you're the one  
I dig it when we kiss and we hug and  
You're cuter than a bug in a rug my love

When you and me  
Turn into us  
It makes me cry

It makes me trust

I love it when we do,  
what we do, what we do,  
what we do, what we do,  
what we do, what we

I love it when we do what we do  
Â'cause we do what we do till it's done  
I love the way we do what we do  
Â'cause we do what we do and it's fun  
you're the one  
I dig it when we kiss and we hug and  
You're cuter than a bug in a rug my love

I love it when we do, yeah, my love

You and me  
Taste so sweet  
So makes fun  
YouÂ're the one

You and me  
Taste so sweet  
So makes fun  
YouÂ're the one
