Heaven ain't your place, girl, not now anyways  
And in this hell yeah, yeah, you can't erase  
All of the pain that you've been given  
That ain't the reason, yeah, that you've been driven

Watch the hand as it's movin'  
24 times around  
Every second's like a minute  
Till you're back on the ground

I've felt joy and I've felt pain  
(Girl, I'm sorry)  
I've felt joy and I've felt pain  
(Girl, I'm sorry)

An' I've felt joy and I've felt pain  
(Girl, I'm sorry)  
But I know I'm gonna see you again

Girl we had our chances, we knew from the start  
That we could take heaven, yeah and tear it apart, tear  
it apart  
You gotta take a chance girl , you gotta lead me by the  
hand  
And turn this wild one into a family man, come on

Many miles been between us  
Since I walked away  
Girl, I'm sorry what I did to you  
This time I'm here to stay

I've felt joy and I've felt pain  
(Girl, I'm sorry)  
I've felt joy and I've felt pain  
(Girl, I'm sorry)

I've felt joy and I've felt pain  
(Girl, I'm sorry)  
But I know, baby, I'm gonna see you again  
But I know, yeah  
I've felt pain, I've felt joy, yeah

Heaven ain't your place girl, not now anyways  
And in this hell yeah, yeah, you can't erase  
All of the pain that you've been given  
That ain't the reason, yeah, that you've been driven

Watch the hand as it's movin'  
24 times around  
Every second's like a minute  
Till you're back on the ground

I've felt joy and I've felt pain  
(And the girls say)  
I've felt joy and I've felt pain  
(And the girls say)

I've felt joy and I've felt pain  
(Girl, I'm sorry)  
I've felt joy and I've felt pain  
(Girl, I'm sorry)  
But I know I'm gonna see you again
