Seems like I was always running
From someone or something
So scared what life could hold
Didn't even wanna know
Each day I'd stand against it
Put up my defenses
Wouldn't let nobody inside
Then you walked in my life

Your love is all I know
Never let you go
Baby, with you I choose my road
All my life
You're the reason why
Baby, with you I walk that road

Now nothing can defeat me
Knowing you complete me
You make me stronger each day
You lead me all the way
Anything that you wanna do
I'll be there beside you
As long as you don't leave
My dreams are guaranteed

Your love is all I know
Never let you go
Baby, with you I choose my road
All my life
You're the reason why
Baby, with you I walk that road

I'll walk that road
Hand in hand
Til it's ends
Nothing can stop me now

Your love is all I know
Never let you go
Baby, with you I choose my road
All my life
You're the reason why

Baby, with you I walk that road
(Walk that road) oh, oh, oh
Never let you go
Baby, with you I choose my road
All my life
You're the reason why
Baby, with you I'll walk that road

Seems like I was always running
From someone or something
So scared what life could hold
Didn't even wanna know
Each day I'd stand against it
Put up my defensesÂ...
