(feat. LeAnn Rimes)

Four o'clock in the morning
My mind's filled with a thousand thoughts of you
How you left me without a warning
But looking back I'm sure you tried to talk it through

Now I say it so clearly
We have been together but living separate lives

So, I wanna tell you I'm sorry
Baby, I can't find the words
But, if I could
Than you know I would, yeahhhhhh

No, I won't let go
No why we can be
I won't watch my life crashing down on me
As I had it all right there before my eyes, yeahhhh
Girl I'm sorry now you were the last thing on my mind

You carried me like a river
How far we have come still surprises me

Now, I look in the mirror (look in the mirror)
Staring back is a man I used to be with you

How I longed for you

No, I won't let go
No why we can be
I won't watch my life crashing down on me
As I had it all right there before my eyes, yeahhhh
Girl I'm sorry now you were the last thing on my mind

Girl I'm sorry I was wrong
Couldn't be there, should have been so strong
So, I'm sorry

Ohhhhhh
No, I won't let go
No why we can be

I won't watch my life crashing down on me
As I had it all right there before my eyes, yeahhhh
Girl IÂ'm sorry now you were the last thing on my mind
(on my mind)

I won't watch my life crashing down on me
As I had it all right there before my eyes, yeahhhh
Girl IÂ'm sorry now you were the last thing on my mind
On my mind (on my mind)
