(Anywhere you go)
Woh, oh, oh, woh, oh, yeah
Woh, oh, oh, woh, oh, yeah

I don't know what you doin' to me
I only know it works
Sometimes you make me feel so good
Sometimes you make me hurt, yeah

'Cause you give me a reason
For getting up each day
I ain't no poet, baby
But I'll say, hey

Anywhere you go
I'll be by your side
'Cause baby, love won't work
If we don't try

I don't know what you're doing to me
But I'm leaving it to fate
I'm gonna be with you forever
And baby, I can't wait

Our love keeps on living, baby
While other loves have died
It ain't the destination
It's the ride

And anywhere you go
I'll be by your side
'Cause baby, love won't work

If we don't try

Sometimes we're up
Sometimes we're down
But always know
I'm gonna be around

And girl, there's something you've got to know
We'll make it through any storm

If we both don't let go
You gotta know, you gotta know

Anywhere you go
I'll be by your side
'Cause baby, love won't work
If we don't try

Sometimes we're up
Sometimes we're down
I'll be okay as long
As you're around

We gotta try, we gotta try

And anywhere you go
I'll be by your side
'Cause love won't work
If we don't try
