Now you'll lay me down to sleep
Pray the Lord your soul to keep
That your heart is safe with me
If I die before I wake
I'm sorry darlin' for every mistake I've ever
made

I could sing you the most beautiful song you've
ever heard
You could sing alone my hummingbird
But you don't need to sing
I don't need to play it'll be alright
I just want you to fall asleep tonight

This is a lullaby! lullaby, lullaby, lullaby
It's just the way I say goodnight
It'll be ok, it'll be alright
This is your lullaby

[KIZ]

This is your lullaby, yeah
Lullaby, lullaby this is my hopes and dreams combined
Spoken to you hoping you sleep well tonight
So rest your precious head on your pillow
And let your thoughts run free
Now close your tired eyes and just dream
You couldn't imagine all of life's beautiful
things
As your vision slowly fades and your thoughts kick in
So just imagine, imagine floating to a place that's
far away
And we could catch up another day, ay

I could sing you the most beautiful song you've
ever heard
You could sing alone my hummingbird
But you don't need to sing
I don't need to play it'll be alright
I just want you to fall asleep tonight

This is a lullaby! lullaby, lullaby, lullaby
It's just the way I say goodnight

Itâ€™ll be ok, itâ€™ll be alright
This is your lullaby

[KIZ]

Yeah, yeah

And when you told me you were scared

I was well aware that your heart was unprepared

So I said that Iâ€™d be there if I said maybe youâ€™ll
sleep

And youâ€™ll lust in all your dreams

And never have to worry cause your heart is safe with
me

I could sing you the most beautiful song youâ€™ve
ever heard

You could sing alone my hummingbird

But you donâ€™t need to sing

I donâ€™t need to play itâ€™ll be alright

I just want you to fall

I just want you to fall

I just want you to fall asleep tonight

Itâ€™ll be ok, itâ€™ll be alright

This is your lullaby
